

Notice for development of 3D Virtual Holographic Display, designing and printing of posters & transslides during India International Trade Fair-2016, Pragati Maidan, New Delhi

VP/EFD/1519/IITF/2016

Date: 26.10.2016

Vigyan Prasar is planning to develop a theme area on “Chronological advancement of science & technology towards digital world” in DST pavilion during the India International Trade Fair-2016 during 14-27 November 2016 at Pragati Maidan, New Delhi. For this purpose, quotes are invited for the following scope of work:

Part A: 3D Virtual Holographic Display. The specification and requirements are as follow

1. The size of display unit should be 46 inches.
2. Software on Chronological advancement of science & technology towards digital world which will be displayed in 3D virtual holographic unit.
3. The sample write-up or supporting visuals on above theme must be submitted along with quote. Failing which financial quote will not be considered.

Part B: Designing and printing of posters and translide. The specification and requirements are as follow

1. Approx. 100 numbers of the posters and 50 transslides will be developed.
2. Specifications for the posters and transslides will be 5ft x 3ft size and print quality will be digital.
3. Posters should be printed on vinyl, should be laminated and have provision of pasting on panels. The translide will be fixed in backlid boxes.

Financial quotation format is as follows:

Sl. No.	Scope of work	Rate quoted	Remarks if any
Part- A			
1.	3D Virtual Holographic Display along with software		
Part- B			
2.	Designing of posters (per poster)		
	Printing of posters (per poster)		
	Designing of translide (per translide)		
	Printing of translide (per translide)		

Terms & Conditions:

1. The work should be of high quality and need to complete on time (before 12 November 2016). There won't be any compromise on quality of work and completion time.
2. Interested agencies are requested to submit their quotations latest by 08 November 2016 up to 11:30 AM to The Director, Vigyan Prasar, A-50, Institutional Area, Sector-62, Noida-201 309, U.P. For any query please contact Dr Bharat Bhushan (8527957529, bhushan@vigyanprasar.gov.in). The quotations will be opened on the same date.
3. The input of all the posters/transslides/3D holography will be given to the selected firms only on 08 November 2016.

4. The rates should be inclusive of all taxes. No conditional quotations will be accepted.
5. The firm will be responsible for collection of the input material, supply of the final printed copies of posters and 3D Virtual Holographic Display unit to place suggested by VP.
6. The quotations received late or do not fulfil the terms & conditions of VP will be summarily rejected.
7. VP reserves the right to accept or reject any or all tenders without assigning any reasons.
8. There will be no compromise on the quality of paper, printing of posters & making of 3D Virtual Holographic Display unit and in case the printing and making/finishing works are not found satisfactory as per sample approved, the job will not be accepted and no payment will be made OR a penalty shall be imposed by VP.'
9. The Institute can change the quantity at the time of issue of PO.
10. Work order will be issued to the firm which is lowest in terms of the analysis of the rates.
11. Sealed envelope should be super scribed "Development of 3D Virtual Holographic Display, designing and printing of posters & transslides" on the top of the cover containing quotation.
12. Payment will be made as per the actual number of posters and transslides designed and printed.
