- 1 The vehicle(s) would be on duty as mentioned in Col. (4) above for 12 hrs duty per day. The timing and days, however, will be flexible, limit of days in a month is mentioned above against each vehicle and the driver would be informed accordingly.
2. The vehicles should be in excellent running condition and model should not more than two years old.
3. There would be no revision in the tariff during the period of the contract.

4. The period of contract would be initially for 12 months out of which first 03 months will be considered as trail period. After completion of 3 months of trail period contract would be extended for further 9 months if services are found satisfactory. The term of contract may be extended annually on mutual consent basis. However total period of contract shall not exceed three years. VP reserves the right to terminate the services without assigning any reasons, if the services are not found suitable/satisfactory during the total period. One month notice is required to be given by either party in case the Agreement is to be terminated during the period after completion of initial three months of contract.
5. Calculation of Kms run during duty hours will be from the starting point and ending point of duty will be as mentioned above. If the end point where the vehicle is signed off last is other than the above, then distance from the point where the vehicle was signed off up to taxi stand would be allowed to be included. The route including start and end point, of the vehicles may be changed during the contract period however the total Kms for the month will remain the same.
6. In case the regular vehicle is not available, then another vehicle of similar make and model as mentioned above should be sent as replacement. If no substitute vehicle is sent and no alternative arrangement is made, then double the pro-rata amount per day or the actual expenses incurred for hiring the vehicles whichever is more would be deducted from the bill. If service is not made available for part of a day, no payment would be made for that day.
7. Penalty as stated at Para 6 above will be imposed if vehicle breaks down on duty or does not turn up at the appointed time.
8. No payment for the day is admissible if the vehicle meets with an accident.
9. If any officer/user of vehicle(s) is away on tour or on leave, the said vehicle will report to Vigyan Prasar Noida Office or any other place which will be informed to the driver/contractor.

10. VP reserves the right to cancel any or all quotations without assigning any reasons.
11. The vehicles must be registered in the name of company or the owner or in the lease agreement, who is submitting the bid. The copy of the registration and lease agreement(s) are required to be enclosed with bid.
