Center of Innovative and Applied Bioprocessing celebrates National Science Day

By Sunderarajan Padmanabhan

New Delhi, March 09: Center of Innovative and Applied Bioprocessing (CIAB) and National Agri-Food Biotechnology Institute (NABI) jointly celebrated National Science Day 2020 with theme 'Women in Science' on February 28, 2020.

The program was partly funded by PSCST, NCSTC, DST under 'Mission Innovate Punjab' and also funded by CIAB, NABI and, DBT. Many women scientists and invited speakers including Prof. Parveen Chhuneja (Punjab Agricultural University, Ludhiana), Prof. Deepa Ghosh (Institute of Nanoscience and Technology, Mohali), and Dr. Madhu Khatri (Panjab University, Chandigarh) graced the occasion and delivered lectures on the topic 'Women in Science'.

More than 200 scientists, students and staff attended the event and participated in the competitions with theme 'Let's grow together' and 'Smart ideas for progressive Punjab'. The program initiated with a note by Ramesh V. Sonti (ED, NABI and CEO, CIAB), a video message by Dr. Renu Swarup (DBT Secretary) and also a video message from Dr. Gagandeep Kang (Director, THSTI). The program concluded with prize distribution to the award winners.
