Jamia Hamdard organises International Congress of the Society for Ethnopharmacology

By Sunderarajan Padmanabhan

New Delhi, February 18: The 7th International Congress of the Society for Ethnopharmacology, India (SFEC 2020) was organized by School of Pharmaceutical Education and Research, Jamia Hamdard, New Delhi, in association with Society for Ethnopharmacology, India during February 15-17, 2020 at New Delhi, India.

This congress focussed on ethnopharmacology in development of scientifically validated quality products from medicinal plants and regulatory aspects. It highlighted several crucial and contemporary issues in ethnomedicine, ethnopharmacology and medicinal plant research and regulatory related aspects by renowned scientists from across the globe. This provide a platform to present research work, interact, debate and disseminate ideas amongst the distinguished professionals, eminent scientists, technologist, industrialist and traditional health care professionals.

DBTs- NER Program related activities in the Congress

Dr. Mohd. Aslam, Advisor DBT spoke at the congress as a speaker. Fifty delegates were invited from the North East India for the congress to interact with more than 45 International Speakers from more than 25 countries attending the conference. One special session with a Brain Storming Session in which the subject experts and the PIs of NER was organised to help furtherance of research in MAP and Plant Sciences in NER.

Following sessions were of relevance for DBT NER division.

1. Special Session on International collaborations, DBT NER and NMPB held on day 1, day 2 and day 3, respectively
2. Special Session on DBT NER (Biotechnology in Drug Development from Plant Sources) held on 16th Feb 2020
3. DBT NER Phytopharma Talk held on 16th Feb 2020
4. Special Brain Storming session on Potential Drugs from Plant Sources of North East Region of India held on 16th Feb 2020
