

# Sci-Connect 2018 Registration Open

## Sci-Connect?

A Programme for Nurturing Young Talents of North-East on Science. Student will get an opportunity to participate in Hands on Science Workshops. Programme will also provide a platform to showcase their talent in Science Quiz Competition.

The programme has three different levels:

- **Level I** – Screening test will be conducted at district level.
- **Level II** – Selected students will get a chance to participate in Quiz Competition and Hands on Science Workshops.
- **Level III** – Best team from each state will get a chance in regional level quiz competition at Agartala.

## Who can participate?

- All 8-9th class students studying in schools of North-Eastern states of India are eligible for the competition. Registration will only be done through schools.

## Registration Process:

- Registration form is available in brochure as well as at Vigyan Prasar website [www.vigyanprasar.gov.in](http://www.vigyanprasar.gov.in)
- Interested schools may kindly fill up the form and submit it to the respected nodal agency of the state.
- The last date for the registration may be confirmed through advertisement in newspaper, Vigyan Prasar website, and State Councils of S&T websites.

## Important Features:

30 students from each state will be selected at level I. These students will get an opportunity as follows:

- First 15 students out of 30 will be invited for the participation in quiz competition and Hands on Science Workshop at next level. These Quiz Competition will be recorded and telecast through regional Doordarshan Kendra's of NE.
- Remaining 15 students from level I will be invited for Hands on Science workshop at state level.
- Attractive Cash Prizes and Trophy to the final quiz winners.
