

RCB executed a MoU with DITECH to boost start-up ecosystem in Haryana

Faridabad based leading bio-incubator BBB has collaborated and executed a MoU with DITECH on 26th February, 2020, to drive and nurture the spirit of entrepreneurship within the state of Haryana. The MoU will provide an opportunity for BBB incubatees to avail the benefits of Haryana start-up policy 2017. It will also give an opportunity to BBB to mentor and network with Haryana start-ups.

Both BBB and DITECH will work in collaboration by sharing the knowledge/information for promotion of start-up ecosystem in Haryana. Each of them will provide their facilities to conduct events, workshops, mentoring sessions, Hackathons /Knowledge sharing sessions etc. and invite eligible start-ups registered with them in the events organized for their benefit.

As per the MoU, BBB would allow start-ups of the state to access their professional and alumni associations. BBB would also provide access to the state-of-the-art infrastructure to selected start-ups and mentor them in their entrepreneurial journey. DITECH will provide access to Start-up Haryana portal for inviting fresh applications from start-ups interested in incubation space at BBB. BBB will act as an integral part of the state-owned incubation network.

The BSC BioNEST Bio-Incubator (**BBB**) is a leading Bio-Incubator located in the National Capital Region, Faridabad with a vision to foster innovation, research and entrepreneurial activities in biotechnology related areas. The mission of BBB is to stimulate the establishment and growth of biotechnology-based startup companies. BBB

is managed and operated by Regional Centre of Biotechnology, Department of Information Technology, Electronics and Communication (DITECH), a department of Govt. of Haryana and designated as nodal agency to oversee the implementation of the start-up ecosystem in Haryana.
