

What do Villages Expect from Food Scientists?

New Delhi, May 08 : Mysuru-based Central Food Technological Research Institute (CFTRI) is celebrating the National Technology Day differently by organizing a Webinar. The Webinar is being organized in association with Swamy Vivekananda Youth Movement, Mysuru, and will be online on 11 May 2020, (Monday) at 11.00 AM.

Dr. R Balasubramaniam, Founder, Swamy Vivekananda Youth Movement, will be delivering a lecture on “What do Villages Expect from Food Scientists?”, following which there will be an interaction with the listeners. Dr. KSMS Raghavarao, Director, CFTRI, and Dr. R. Subramanian, Chief Scientist, CFTRI, will also be present.

All those who are interested may download Zoom app on their phone and join the Webinar by typing the Zoom Webinar ID: 996 6990 3688 and Password: 162163.
