### High wave, wind and rain alert for different regions of India

Mohammad Faiyaz Anwar

A high wave and wind red alert has been issued by the ESSO-Indian National Center for Ocean Information Services (INCOIS) for Gujarat, Maharashtra and Karnataka during next 48 hours. **Fishermen are advised not to venture into this area during next 48 hours.** INCOIS also issued orange warning alert of High wave and wind for Kerala, Lakshadweep, Goa and Karnataka during next 48 hours.

IMD has issued a strong wind alert for Southwest and Westcentral Arabian Sea during the next five days. Fishermen are advised not to venture into this area during the period mentioned.

As per Indian Meteorological Department (IMD), strong winds from the Western Disturbance and Bay of Bengal to the lower tropospheric level in northeastern India and from Arabian sea to the lower tropospheric level in northwest India **from today onward have created favorable conditions for extremely heavy rainfall in Sub-Himalayan West Bengal and Sikkim on 9 July to 11 July, Uttarakhand on 11 July to 12 July, Bihar on 10 – 11 July 2020, and over East Uttar Pradesh on 10 July to 12 July 2020.**
