

**Science Film Festival of India at Panjim, Goa: 15<sup>th</sup> - 18<sup>th</sup> January 2020**

National Centre for Polar and Ocean Research, Vasco, Goa, Ministry of Earth Sciences, Government of India is one of the Partners of Science Film Festival of India (SCI-FFI) program held at Panjim, Goa during 15<sup>th</sup> to 18<sup>th</sup> January, 2020. Dr. Pramod Sawant, Chief Minister Goa inaugurated the SCI-FFI 2020.

NCPOR team explained the institute's major activities to Dr. Pramod Sawant.

The workshop is specifically designed for enthusiastic filmmakers and science enthusiasts, who want to dive into the art of science storytelling through films and photographs. Over the course of 3 days, the workshop will cover many aspects of filmmaking and the processes present in it.

**The workshop covers the following topics:**

- Science Films and Photography: Need for the Hour
- Field Expedition Photography and Film Making: Challenges
- Fundamentals of Science Film Making: The Process
- Cinematography: The Art of Visual Storytelling
- Post Production: What it takes to edit a good film
