

**International Indian Ocean Science Conference (IIOSC-2020)**

The IIOSC-2020 conference is scheduled from 16-20 March 2020 in Goa organized by Ministry of Earth Sciences (MoES), India co-hosted by National Institute of Oceanography (NIO) Goa, National Centre for Polar Ocean Research (NCPOR) Goa, Goa University and Indian National Centre for Ocean Information Services (INCOIS) Hyderabad, India.

Main objective of this event is understanding of the Chemical, Physical, Biological, Geological and Climatologically aspects of the Indian Ocean to enhance its role on the socio-economy of the region. It will provide an opportunity for the scientists working on different facets of the Indian Ocean to present their ideas and discuss the outstanding issues, identify the knowledge gaps and plan a way forward to address such issues. The outcome of the event is expected to help building a resilient scientific community involving common people who are stakeholders of the cause and effects of the Indian Ocean climatological phenomena.
