26th Annual Session of the International Seabed Authority (ISA) meeting at Jamaica

The 26th session of the Council of the International Sea Bed Authority (ISA) by the United Nations is taking place during 17-21 February 2020 in Jamaica. The purpose of the deployment is to provide technical skills in deep sea-related matters to the national experts on existing capacity-building initiatives and to benefit ISA Secretariat from the contributions of experts to pursue specific tasks identified in legal partnerships and Technical Commission (LTC). The Session began with a discussion of the open-ended working group (OEWG) report on the financial model

The Indian delegation (Mr. Deval Naik, High Commissioner of India to Jamaica, Dr. Vijay Kumar, Dr. G. A. Ramadoss, and Dr. John Kurien) attended the meeting of the Council of the ISA in United Nations, Jamaica.
