**Training Programme on Implementation of UNESCO-IOC Tsunami Ready and  
Verification of the Tsunami Ready Indicators in India  
(10<sup>th</sup> – 14<sup>th</sup> December 2019)**

Indian National Centre for Ocean Information Services (INCOIS), Ministry of Earth Sciences, and Government of India has invited Intergovernmental Coordination Group for the Indian Ocean Tsunami Warning and Mitigation System to organize a national training program on the implementation of UNESCO/IOC Tsunami Ready on 10th – 14th December 2019 at Hyderabad and Odisha, India. Training Programme on Implementation of UNESCO-IOC Tsunami Ready on 10th 12th December at Hyderabad and Verification of the Tsunami Ready Indicators on 13th -14th December at Odisha, India. There are five trainers (Mr. Nicholas Kuster from Australia, Ms. Kian Purna Sinki from Indonesia, Mrs. Weniza from Indonesia, Mr. Ardito M. Kodijat from Indonesia and Dr. Srinivasa Kumar Tummala from Australia) associated with this training program.

The aim of the training is aimed at stakeholders in all provinces of India. In addition to providing national Tsunami Evacuation Maps, Plans and Procedures training, verification of the Tsunami Ready indicators in the six Odisha communities that piloted the program during India Ocean Wave18 will be undertaken.
