INCOIS and IMD jointly predicting cyclone over southeast Bay of Bengal and neighborhood by 16 May 2020

Mohammad Faiyaz Anwar

As per ESSO-Indian National Centre for Ocean Information Services (INCOIS) and India Meteorological Department (IMD) forecast, there is a likelihood of a cyclonic storm over the southeast Bay of Bengal by 16 May 2020 evening. It is very likely to move from north-northeast towards the north Bay of Bengal on 18-19 May 2020.

The INCOIS-IMD weather advisory warns fishermen not to venture out to the **South and Central Bay of Bengal from May 15.**

Those in the sea in these areas are advised to return immediately to the coast. Fishermen are also advised not venture into the **West-Central Bay of Bengal** along and **Off North Andhra Pradesh coast on 18 May** and the **Coast of Odisha-West Bengal from 18 May 2020 onwards.** Those who are out at sea over these regions are advised to **return to the coasts by 17 May 2020.**
