Indian Ocean Countries Regional Workshop: 08-10 January 2020

Intergovernmental Oceanographic Commission (IOC) of United Nations Educational, Scientific and Cultural Organization (UNESCO) is organizing Indian Ocean Countries Regional Workshop on 08-10 January 2020 at the National Institute of Ocean Technology (NIOT), Chennai co-organized with Ministry of Earth Sciences, Government of India.

The main objective of this workshop is to understand the priorities of Indian Ocean countries in terms of transforming knowledge systems and providing ideas for accelerating transfer of technology, enabling training and education. . The main agenda for the workshop is to develop a platform to help foster science-policy dialogues between the countries in this region to make upcoming decade (2021-2030) as the Decade of the Ocean Sciences for sustainable development.

The workshop will focus on the needs and priorities of Indian Ocean countries in terms of transforming knowledge systems, accelerating transfer of technology, enabling training and education and help foster science-policy dialogues between the countries in this region. The workshop will present a once-in-a-lifetime opportunity to discuss and collate scientific knowledge, foster technological innovation, identify synergies and build capacity towards achieving the 2030 Agenda for a clean, healthy, safe and sustainable Indian Ocean.
