High wave, wind red alert for Tamil Nadu: Fishermen are advised not to venture out

New Delhi, 16 September 2020 (Vigyan Samachar): A high wave and wind red alert has been issued by the ESSO-Indian National Center for Ocean Information Services (INCOIS) for Tamil Nadu during next 48 hours. Fishermen are advised not to venture into this area during next 48 hours. INCOIS also issued orange warning alert of high wind for Andhra Pradesh, Gujarat, Maharashtra, Goa, Karnataka, Kerala, and Lakshadweep during next 48 hours. Fishermen are advised not to venture into these areas during this period.

As per INCOIS, strong wind is likely to prevail over east central Bay of Bengal and adjoining Andaman sea during 18 September to 19 September 2020. Fishermen are advised not to venture into this area during this period.

INCOIS also issued high wind alert, along and off Karnataka and Kerala coasts and over Lakshadweep during 17 to 19 September 2020. Fishermen are advised not to venture into this area during this period.

IMD has issued a strong wind alert for over Southwest, Southeast & Eastcentral Arabian Sea, along & off Kerala Karnataka coasts and Lakshadweep area, Andaman Sea and adjoining Southeast Bay of Bengal during next five days. Fishermen are advised not to venture into this area during the period mentioned.
