

Prime Minister Narendra Modi addresses 107th session of Indian Science Congress in Bangalore today

Hon'ble Prime Minister Shri Narendra Modi inaugurated the 107th session of the Indian Science Congress at the University of Agricultural Sciences in Bengaluru today. He appreciated the achievement of the Ministry of Earth Sciences (MoES) while announcing the ambitious Deep Ocean Mission for Weather Forecasting and Ocean Resources urging the young scientists of the country to Innovate, Patent, Produce and Prosper. He said, "These four steps will lead our country to rapid development".

The Prime Minister also said he was happy to learn that India's ranking has improved in the Global Innovation Index to 52. "Our programs have created more technology business incubators in the last five years than in the previous 50 years. I congratulate our scientists for this achievement", he said.
