

## **DBT-IBSD Covid-19 testing laboratory tests 3,276 samples**

New Delhi, Jan 13: The Covid-19 testing laboratory set up by DBT-Institute of Bioresources and Sustainable Development (DBT-IBSD) and Jawaharlal Nehru Institute of Medical Sciences (JNIMS) at Imphal, Manipur has tested 70 more samples.

The centre was accorded approval by ICMR on July 11, 2020, and has initiated independent testing and is reporting directly to ICMR. Separate manpower has been appointed. It has tested a total of 3,276 samples so far. IBSD is taking care of two Covid testing centres - Kangpokpi and Pherzawl districts of Manipur.
