

DBT-IBSD distributes Institute made hand sanitizer, disinfectant

New Delhi, Oct 22: DBT-Institute of Bioresources and Sustainable Development (DBT-IBSD), Shillong, Meghalaya, has been actively engaged in serving society at the time of the pandemic, in the form of making and distribution of hand sanitizers, disinfectant and face mask. The Institute particularly targeted the economically weaker section of the society to protect them and educate them about the importance of the mask and sanitizer to combat the pandemic. It has distributed surface disinfectant to the staff of Carmel School, Sadew, East Khasi Hills, Meghalaya.

Under the initiative of the Director, DBT-IBSD, Prof. Pulok K. Mukherjee, the Institute will continue with such distributions with the intention of protecting society's front-line workers and the economically weaker sections
