**Blood Donation Camp**

New Delhi, Feb 24: A blood donation camp was organized by students and postdocs on 4th Feb, 2021 at the Bangalore Life Science Cluster (BLiSC) medical centre. The camp was conducted in collaboration with Rotary TTK for Bangalore Medical Services Trust blood bank. This was the first campus blood donation drive since the pandemic and first for the year 2021.

Sixty one (61) units of blood were collected with immense enthusiasm and support from the campus community. Due care was taken that those who were diagnosed with COVID19 or had been vaccinated were not allowed to donate blood.
