DBT-inStem promotes hashtag `#Unite2FightCorona’

New Delhi, Nov 02: DBT-Institute for Stem Cell Science & Regenerative Medicine (DBT-inStem) is proactively promoting the hashtag #Unite2FightCorona through various in-house contents – posters, artwork, and photographs, thus emphasizing on the three basic rules of ‘Wear A Mask’, ‘Hand Hygiene’, and ‘Physical Distancing’ one must follow until a cure has been found for COVID-19.

This follows an email from DBT dated Oct 08, 2020 by which it has requested its affiliated research organisations to use the hashtag #Unite2FightCorona in their various campaigns and posts on social media.

Here are some of the links of social media postings which have also been shared by DBT, DBT Secretary, Dr. Renu Swarup, and other DBT-affiliated research organisations.
