

## **DBT-NIPGR's Dr. Ashverya Laxmi elected as INSA Fellow**

New Delhi, Nov 06: Dr. Ashverya Laxmi of DBT-National Institute of Plant Genome Research (DBT-NIPGR), New Delhi has been elected as a Fellow of Indian National Science Academy for the year 2021. Dr Ashverya Laxmi has carried out seminal work on the cross-talk between multiple signalling pathways for plant growth and development. Her research provides novel insights on the role of glucose as a major signalling molecule and its interaction with hormone pathways to control plant architecture and stress response.
