

COVID testing at BLiSC crosses `one lakh` milestone

New Delhi, March 01: The COVID-19 testing efforts at the Bangalore Life Science Cluster (BLiSC) has crossed the milestone of 1,00,000 samples.

The Centre houses DBT-Institute for Stem Cell Science & Regenerative Medicine (inStem), National Centre for Biological Sciences (NCBS), and Centre for Cellular and Molecular Platforms (CCAMP). The testing activities at the Centre began on April 13, 2020.
