

DBT-IBSD Covid-19 testing laboratory tests 2,637 samples

New Delhi, Dec 08: The Covid-19 testing laboratory set up jointly by DBT-Institute of Bioresources and Sustainable Development (DBT-IBSD) and Jawaharlal Nehru Institute of Medical Sciences (JNIMS) at Imphal, Manipur, which was accorded approval by ICMR on July 11, 2020, has initiated independent testing and is reporting directly to ICMR.

In the last week, it has tested 138 samples. The total number of samples tested so far is 2,637. IBSD is taking care of two Covid testing centres - Kangpokpi and Pherzawl districts of Manipur.
