

## *Wash Karo*: An infodemic management suite

An India Alliance fellow Dr Tavpritesh Sethi at IIIT, New Delhi and his team have developed an android based app “Wash Karo” that functions as a complete Infodemic Management Suite. It was presented at the World Health Organisation, Geneva on 08 April 2020, via video conferencing. *Wash Karo* aims to provide the right information to the right people in the right format at the right time.

This android APP aims to help public and its updated content is delivered in Hindi in the form of bite-sized audios for those who may not be able to read. Dr Sethi is also part of a Technology Innovation Group constituted by the Delhi Government to develop and maintain IT platforms *viz.* website and an app for COVID-19 management for Delhi.
