

## DBT-ILS Webinar on Life Science Entrepreneurship

The Bhubaneswar based DBT-Institute of Life Sciences (ILS) Bioincubator webinar series hosted its third talk on the 27<sup>th</sup> November, 2020. The speaker for this occasion was Dr. Shriram Raghavan. It was an hour program curated for the target audience comprising professors, scientist, researchers, and start-up entrepreneurs. This webinar was helpful for aspiring entrepreneurs who can be from any domain ranging from students to faculties. The registration is free but mandatory for participation.
