DBT-IBSD strengthens COVID-19 testing labs across northeast India

New Delhi, June 05: The Department of Biotechnology's Institute of Bioresources and Sustainable Development (DBT-IBSD), has its head office in Imphal and three centres in Gangtok, Aizawl and Shillong, thus covering almost the entire north-east India.

The main institute and its centres are actively contributing to the fight against the COVID-19 pandemic in their respective states by assisting ICMR recognised COVID19 testing centres there by providing equipment, facility, consumables, trained manpower and distributing Institute-made hand sanitizer to protect frontline COVID – 19 warriors.
