

## DBT-IBSD observes World Environment Day

New Delhi, June 16: The Department of Biotechnology's Institute of Bioresources and Sustainable Development (DBT-IBSD), observed the World Environment Day 2020 with a tree plantation programme in the institute's Takyelpat campus and National Bioresources Park, Haraorou in Imphal. The programme was conducted under the guidance of Prof. Pulok Kumar Mukherjee, Director of the institute. It was attended by scientists, other staff and research scholars of the institute. Around 150 saplings including Heirangoi, Chingthrao, Mayokpha, Cinnamon, Heikru, Pungthol, Theibong, Bokul, and Yongchak were planted during the programme at the two sites. This year's theme of World Environment Day was "Celebrate Biodiversity".
