Webinar on “Food, Nutrition and Health”

The DBT’s National Institute of Plant Genome Research (DBT-NIPGR), New Delhi in collaboration with the National Agri-Food Biotechnology Institute (NABI), Mohali and the Institute of Life Sciences (ILS), Bhubaneswar had launched a webinar series on “Food, Nutrition & Health”. The 1st webinar was held on September 21, 2020, being the World Alzheimer's Day. The 2nd webinar was held on occasion of World Children’s Day and the World Diabetes Day. The webinar was held on November 27, 2020. The aim of this webinar series was to bring together leading scientists and young researchers from across the world to discuss the contemporary issues in the field, exciting research outcomes and prepare a future road map for tackling the key challenges in this particular area.

In this connection, Prof. N.K. Ganguly, former DG, ICMR and Secretary, Department of Health Research, Ministry of Health & Family Welfare has kindly agreed to deliver a Keynote talk which will be followed by theme lectures by eminent scientists in the field on November 27, 2020.
