

DBT-IBSD distributes hand sanitizer, surface disinfectant and face masks

New Delhi, Oct 05: The DBT-Institute of Bioresources and Sustainable Development (DBT-IBSD), Shillong, distributed the Institute made surface disinfectant, hand sanitizer and face masks to Kendriya Vidyalaya, Eastern Air Command, Upper Shillong, Meghalaya in the presence of Principal and school staff on 24-09-2020.

As per the guidelines of unlock 4.0, considering the overall COVID-19 situation in Meghalaya, students from class 9th onwards may be allowed to visit schools on a voluntary basis. As a part of COVID-19 outreach programme, IBSD, Shillong has now started distribution of surface disinfectant, hand sanitizer and face masks to different schools in and around Shillong. This initiative of IBSD will protect school students, teachers and other staff during the COVID-19 scenario. IBSD, Shillong will continue this outreach activity to the schools in different villages in Meghalaya. The DBT-IBSD centres in different parts of North East India are actively participating and serving society during the COVID-19 scenario under the leadership of the Director, IBSD, Prof. Pulok K. Mukherjee.
