

DBT–IBSD distributes surface disinfectant in Meghalaya and Sikkim

New Delhi, Sep 07: The Department Of Biotechnology's Institute of Bioresources and Sustainable Development (DBT-IBSD) has distributed the Institute made surface disinfectant to the State Bank of India and its ATM booth at 3rd Mile, Upper Shillong, Meghalaya and to the students of Human Development Foundation of Sikkim (HDFS) Boys Hostel at Chongay Tar in East Sikkim.

The distribution at the SBI branch in Upper Shillong was made in the presence of Ms. A. P. Sooting, Branch Manager, and her team. The HDFS boys hostel in East Sikkim provides education to underprivileged children.

The initiative of distribution was taken up under the guidance of the Director, IBSD, Prof. Pulok K. Mukherjee with an aim to protect COVID-19 frontline workers and others.

The Department of Biotechnology's Institute of Bioresources and Sustainable Development (DBT-IBSD) has its head office in Imphal, Manipur and has centres in Shillong, Gangtok, Aizawl. It has been taking steps to help boost the capacity of the various States in the northeastern region of the country to meet the challenges posed by the COVID-19 pandemic that is sweeping across the world.

IBSD distributes hand sanitizers

SE Report

GANGTOK, August 28: Institute of Bioresources and Sustainable Development (IBSD), Sikkim Centre, Tadong provided hand sanitizers to Human Development Foundation of Sikkim (HDFS) boys' hostel at Chongay Tar, East Sikkim. The in-charge and the staff were thankful to the regional

centre IBSD.

HDFS provides education to underprivileged children. The initiative of free distribution of the hand sanitizers was taken up under the guidance of the director of the institute, Prof. Pulok K. Mukherjee. The distribution was made in view of the shortage of supply and high cost of above items in the market area, informs a press release.

IBSD, Sikkim Centre has been distributing hand sanitizers to frontline workers to fight the Covid-19 pandemic and is ready to help in the future to fight the pandemic. This is in continuation in the effort of distribution of hand sanitizers and surface disinfectant to frontline workers, vegetable vendors, taxi drivers, etc. of Sikkim, the release mentions.
