

THSTI and National Medicinal Plants Board partner to evaluate plant-based formulations to mitigate the new coronavirus

Translational Health Science and Technology Institute (THSTI), Faridabad entered into an agreement with National Medicinal Plants Board for the project entitled “*Preclinical and Pharmacokinetics Evaluations of select AYUSH Herbal Extracts/Formulations for mitigating SARS-CoV2 Associated Pathologies*”. The principal investigator of the project is Dr. Madhu Dikshit, National Chair, THSTI and former Director of CSIR’s Central Drug Research Institute.

The National Medicinal Plants Board (NMPB) was established by Government of India to coordinate with all matters relating to medicinal plants and support policies and programs for growth of trade, export, conservation and cultivation. The board is working under Ministry of Ayurveda, Yoga & Naturopathy, Unani, Siddha & Homeopathy (AYUSH).
